Euroform Street Furniture

Hardscape have teamed up with Italian company euroform w to supply aesthetically attractive, distinctive and innovative street furniture solutions.

Each item is characterised with an eye for detail combining excellent stability, detailed craftsmanship and the respect for the existing environment adapting perfectly to the requirements of a typical urban scheme.

As sole UK distributors of euroform w products, Hardscape can help devise a solution from a range of stylish wooden and metal urban furniture products ensuring that the chosen items compliment the varying requirements of outdoor culture and lifestyle.

- Version:** with and without backrest.
- Frame:** 8mm hot dipped steel sheet. Horizontal reinforcement with round section pipe 42x3mm.
- Armrest:** flat steel 8x40mm and untreated hardwood strip 18/40x40x27, 5mm.
- Powder coating:** special colour effect "Corten". Other RAL colours on request.
- Seat:** untreated hardwood strips and 2 end bars.
- Fastening:** cast in concrete, bolted down free standing.
- Option:** wood treated with water-based glaze.

Brand Quality

Impressive guarantees

A good product must guarantee good quality. As a result of its experience gathered over decades, and due to the continuous improvement of production processes and treatment techniques, euroform w is able to offer the following guarantees on its branded products:

Wood:

- for hardwoods such as iroko or similar: **15 years against rotting** without any maintenance
- for hardwoods such as ash or similar: **8 years against rotting** with appropriate care.

Metal:

- for hot-dip galvanised items: **10 year anti-rust guarantee**
 - for powder coated items: **6 year anti-flake guarantee**
- Ø thickness of powder coating 80 microns. 500 hr salt spray test in accordance with DIN 50021-SS or ISO 9227. UV stability of the powder as detailed in the Qualicoat guarantee table. The afore mentioned guarantees are conditional upon professional and correct assembly and/or use.

Certified quality

euroform w offers guaranteed organization quality thanks to its quality systems: Quality management system in accordance with ISO-9001 since 1997, Environment management system in accordance with ISO-14001 since 2003.

FSC wood

The Forest Stewardship Council (FSC) is an international non governmental, non-profit organisation. It was founded in 1993 to promote responsible management of forests and plantations world wide. "Responsible management" means: protecting the natural environment, providing real advantages for populations, local communities, and workers and ensuring efficiency in economic terms.
